USA Visit of Prof (Dr) Beer Pal Singh, Department of Physics, CCS University, Meerut during 04 – 22 March, 2023

Dr. Beer Pal Singh, Professor, Department of Physics visited United States of America (USA) to present a Research Paper at American Physical Society (APS) March 2023 Meeting, held at Las Vegas during 05-10 March, 2023. APS March Meeting 2023 was one of the major events for Physics professionals & students across the globe to present their work. More than 10,000 papers were presented at this International Meeting. The visit was funded by Department of Science & Technology (DST), Government of India.

First International Conference on Emerging Materials and Technologies (ICEMT-2023)

The First International Conference on Emerging Materials and Technologies (ICEMT-2023) was jointly organised by National Institute for Materials Advancement (NIMA), Pittsburg State University, Kansas, USA, in association with Chaudhary Charan Singh University, Meerut, India, during 11-12 March, 2023. Prof Beer Pal Singh participated in this 2 days conference as organiser; and delivered an invited talk on “Sputtered Deposited Molybdenum Disulfide (MoS_2) Thin Films for Device applications”.

Prof Beer Pal Singh visited Central Connecticut State University, New Britain, CT, USA during March 14 to 20, 2023 under MoU with CCS university and delivered an invited talk on “Semiconducting Nanostructures for electrochemical and gas sensing applications. He discussed about progress and research activities with collaborators Dr. Rahul Singhal, Chair of Department Prof. Lemar, Prof Rabindra, and Dr Yurry.

Prof. Beer Pal Singh also visited Southern Connecticut State University, New Haven, CT 06515 USA, and had a meeting with Prof. Christine Caragianis Broadbridge, Executive Director, Research & Innovations, SCSU, USA and her colleague to present Expression of Interest (EoI) to sign a MoU with C C S University, Meerut, India.
